Dated: Hassan 17th June 1893.

From
P. R. Ramanuja Iyengar
Deputy Commissioner

To
The Inspector Secretary
to the Government of Mysore.

Sir,

I have the honor to state that it is necessary to purchase a piece of land behind the anjaneya's temple at Chennarayapatna for widening the way leading to the temple and also to obtain an access to the back walls of the temple to remove the growth of bloats from time to time and to keep it in good order as well as to enable the devotees to take observances in

in Pradakshina" round the temple. —
The Khateedar was persuaded to
give up the same on payment
of Compensation i.e to say to sell
the land to the temple.

The extent of the land in question
is 23 guntas assessed at Rs 2.12.4
and this is the only piece in the
holding of a private individual
while on all other sides the lands
are in the enjoyment of the temple
being endowment lands and yield
an income of about Rs 50 per
annum on the average of last 5 years,
which is credited to the Temple funds.
The extent required for widening
the roadway and also for Oottavasam
or Pradakshina passage behind the
temple will be reserved and the
remaining portion will be let out
for vegetable and other garden culti-
vation and the proceeds credited

to the temple.

The Khatedar asks for a compensation of Rs 85 which, considering the local value of lands adjacent to this town is reasonable and indeed cheap. It is also beneficial to the temple to invest the amount which might no doubt yield an annual income for the temple (i.e. an interest at nearly 10 to 12 per cent per annum. There is money at credit of the temple. The investment is a very desirable and necessary one in the temple interests and I strongly recommend that this opportunity may not be lost when the owner is willing to part with the property after a fruitless negotiation for the last several years. This is a private endowment — temple handed over to Government.

and managed kept since the last forty years or so.

I therefore request you will be good enough to obtain sanction of Government for keeping the commutation out of the amount of Rs 563 . 5 . 0 at the credit of the temple.

A bill with the necessary Credit certificate will be duly submitted on your approval of the purchase.

I have the honour to be

Sir
